

## Message from the HGCAA President

April 2019

You know that it is Spring in Texas when you see the yard cut out around the bluebonnets.

There are more than bluebonnets blooming at the Texas capital

Several bills have weeds to be pulled.

Be sure to make this month's meeting for the hot legislative updates

Many thanks to all who acted quickly and emailed their local representatives. This kind of solidarity will protect the integrity of our industry. Please stay vigilant with us as we tread through these very impactful changes.

For the upcoming April meeting, Aaron Thomas, with DMP will be the guest speaker. He will cover Modern Hiring: Philosophy and Management. The meeting will be held at ADI on Pinemont on April 11 at 11:30.

The Spring Break crowd donned our March meeting, with Craig Watt of Rust Ewing Insurance bringing stories of cyber and employment liability disasters. It was enough to make you take out a policy of protection. The meeting location and lunch was hosted by Anixter on Mitchelldale. We so appreciate such great accommodations.

Please remember, our associate members support us, so please support them. And if you are not coming to meetings, you are missing out on CEU's, great speakers, networking opportunities, and lots of inside information. As your president, I welcome any topics or issues for discussion or suggestions for improving this association. Contact me anytime at [president@hgcaa.org](mailto:president@hgcaa.org)

Van Mayorga,
