

Message from the HGCAA President

July 2019

'Tis the season for holiday weekends and vacations. I hope you all get at least one of those this summer season. I had a party at our place this past 4th of July. It was truly amazing the help I got from my guests. The next day, I looked around and there was nearly nothing to do. My party attendees had cleaned everything up. It *almost* makes me want to have another party.

As all indulged in the eating, visiting and splashing, the finale to the evening was a fantastic firework display in my own backyard! The celebration was a reminder of our nation's history, of the trials and tribulations that have led us to present day, and how freedom is not free! As I enjoy special liberties and even take them for granted, I am grateful, so grateful for my family, friends and colleagues, all the opportunity available to me and most importantly for my freedom. I am also reminded to continue to fight for these freedoms as they come under attack. Keep our eyes open. We can never relax.

The July meeting will be held at Anixter North on Rankin Road on July 11 at 11:30. The guest speaker will be a small round table of jurisdictions to give and answer questions about alarm ordinance and procedures.

Please remember, our associate members support us, so please support them. And if you are not coming to meetings, you are missing out on CEU's, great speakers, networking opportunities, and lots of inside information. As your president, I welcome any topics or issues for discussion or suggestions for improving this association. Contact me anytime at president@hgcaa.org
