

Message from the HGCAA President

September 2019

September is supposed to be the beginning of fall, but it does not appear that Texas has received that message. August and September have been hot months for the HGCAA too.

The August HGCAA meeting gave a little more understanding of the new (lack of) rules from State of Texas on Private Security and the elimination of certain licenses. We will know more as time unfolds. Stay tuned for those updates. They will be shared as they come in. Our headliner for the meeting was Mr. Maxwell Epps, a 2019 graduated senior who was awarded the First Responder Scholarship. Maxwell treated us with a reading of his scholarship and the fellowship of his family. He really touched on the realities of having a first responder parent. Maxwell says he is pursuing a career in finance. We wish him much success. The meeting location and lunch was hosted by Anixter on Mitchelldale. We really appreciate Anixter's support.

The September meeting will be held at ADI on Pinemont Drive on September 12, at 11:30, back to our usual Thursday. We have Harris County Engineering and Permitting as our guest speaker. They will give us some insite on the new 2018 IBC/IFC that they are adopting. Also, we have elections to conduct. It is not too late to submit your candidacy for any of the board positions. Just send a message to [me](#) or nominate from the floor.

Your membership must be current to vote. To [join](#) or renew, send our [treasurer](#) an email for a membership application and invoice. HGCAA offers guest speakers, industry and legislative information networking, [training](#), and opportunities to get involved and make a difference.

Please remember, our associate members support us, so please support them. And if you are not coming to meetings, you are missing out on CEU's, great speakers, networking opportunities, and lots of inside information. As your president, I welcome any topics or issues for discussion or suggestions for improving this association. Contact me anytime at president@hgcaa.org

Van Mayorga,

HGCAA President
