

Message from the HGCAA President

October 2019

Harris County Fire Marshal's Office attended the September meeting and served as guest speakers, sharing highlights from their amendments to the recently adopted 2018 IFC and IBC. We learned that in Harris County at least, when changing out a panel, one must submit for a permit. Many jurisdictions are doing this. It is **EERILY**, important to be familiar with the requirements of the AHJ where you are working. You could find yourself in a **HAUNTING** predicament if you don't; one that will make you **BATTY**. Additionally, we had our annual election. Several incumbents will continue as Directors on the Board.

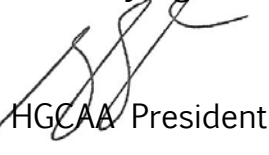

The meeting location and lunch was an offering of ADI on Pinemont. Thank you, ADI!

The October meeting will be held at ECD on Westpark on October 10, at 11:30.

To [join](#) or renew, send our treasurer an email for a membership application and invoice. HGCAA offers guest speakers, industry and legislative information networking, [training](#), and opportunities to get involved and make a difference.

Please remember, our associate members support us, so please support them. And if you are not coming to meetings, you are missing out on CEU's, **GHOST** speakers, networking opportunities, and lots of inside information. As your president, I welcome any topics or issues for discussion or suggestions for improving this association. Contact me anytime at president@hgcaa.org

Van Mayorga,

HGCAA President
